In that case, **We** and an **Insured Person**, or in the event of **Loss of Life**, an **Insured Person's** beneficiary, will each select an arbitrator. The two arbitrators will select a third. If they cannot agree within fifteen (15) days, then either **We**, an **Insured Person**, or in the event of **Loss of Life**, an **Insured Person's** beneficiary, may request that the choice of arbitrator be submitted to the American Arbitration Association. The arbitration will be held in the State of an **Insured Person's** principal residence.

BTA5156

Beneficiary

A) Designation

An **Insured Person** has the right to designate a beneficiary. The **Primary Insured Person** shall have the sole right to designate a beneficiary for any **Dependent Child** who is a minor. All beneficiary designations must be:

- 1) in writing;
- 2) filed with the **Policyholder**; and
- 3) provided to **Us** at the time of claim; or
- 4) at such other time as **We** may require

B) Change

The **Insured Person**, and no one else, unless there is an irrevocable assignment, has the right to change the beneficiary except as set forth above. The **Insured Person** does not need the consent of anyone to do so. All beneficiary changes must be:

- 1) in writing;
- 2) filed with the **Policyholder**; and
- 3) provided to **Us** at the time of claim or at such other time as **We** may

require. **We** do not assume any responsibility for the validity of these changes.

C) Payment

The **Benefit Amount** for covered **Loss of Life** will be paid to the beneficiary designated by an **Insured Person**. Any **Benefit Amount** payable due to the **Loss of Life** of a **Dependent Child** will be paid to the **Primary Insured Person**, absent any beneficiary designation by the **Dependent Child**.

If an **Insured Person** has not chosen a beneficiary or if there is no beneficiary alive when the **Insured Person** dies, then **We** will pay the **Benefit Amount** for **Loss of Life** to the first surviving party in the following order:

- 1) the **Insured Person's Spouse**;
- 2) in equal shares to the **Insured Person's** surviving children;
- 3) in equal shares to the **Insured Person's** surviving parents;

If any beneficiary has not reached the legal age of majority, then **We** will pay such beneficiary's legal guardian.

BTA5158

Cancellation, Nonrenewal and Grace Period

A) Grace Period

The **Policyholder** is entitled to a grace period of thirty-one (31) days from the premium due date for the payment of premium due. This policy will continue in force during the grace period. The grace period does not apply to the first premium payable during this policy term. Failure to pay the first premium on or before the due date will immediately terminate this policy as of inception. **We** are not required to provide notification of such termination.

BTA5160

B) Cancellation, Nonrenewal

The **Policyholder** may cancel this policy, or any of its individual insurance benefits, by sending **Us** written notice stating when cancellation is to take effect. The effective date of cancellation may not be earlier than the date notice is postmarked or transmitted.

We may cancel this policy, or any of its individual insurance benefits, if the **Policyholder** fails to pay the premium within the grace period of thirty-one (31) days after the premium due date, except for the first premium due during the Policy Period. **We** will send written notice stating the effective date of cancellation, which will be no earlier than thirty-one (31) days after the premium due date.

We may cancel this policy, or any of its individual insurance benefits, for reasons other than nonpayment of premium by sending written notice stating when thereafter such cancellation shall take effect. If this is a multi-year policy, then **We** may cancel the policy, or any of its individual insurance benefits, by sending written notice at least sixty (60) days prior to the Anniversary Date shown in the Insuring Agreement.

We may nonrenew this policy by sending written notice at least sixty (60) days before the expiration date of the Policy Period shown in the Insuring Agreement.

We will send notice of cancellation or nonrenewal to the **Policyholder** at its last known address. If the notice is mailed, proof of mailing will be considered proof of cancellation or nonrenewal.

The **Policyholder** is required to immediately provide notice of cancellation or nonrenewal to all **Insured Persons**.

The earned premium will be computed on a pro-rata basis. Any unearned premium will be returned to the **Policyholder** as soon as practicable.

BTA5162WI

Certificate

When required by law, **We** will issue to the **Policyholder** for delivery to the **Primary Insured Person** a Certificate of Insurance. The Certificate of Insurance will describe the benefits, exclusions, limitations, and conditions of this policy and state to whom benefits are payable. Any subsequent changes to this policy will also apply to the existing Certificates of Insurance.

BTA5164

Changes

This policy can only be changed by a written endorsement that becomes a part of this policy. The endorsement must be approved by one of **Our** officers and signed by one of **Our** authorized representatives. No agent has the authority to change this policy or waive any of its provisions.

BTA5166

Concealment or Fraud

Insurance under this policy is void if:

- 1) the **Policyholder** or any **Insured Person** has intentionally concealed or misrepresented any material fact relating to this policy before or after a **Loss**; or
- 2) the **Policyholder** or any **Insured Person** files a false report of a **Loss**.

BTA5165

Compliance by Policyholder and Insured Person

We have no duty to provide insurance under this policy unless the **Policyholder**, the **Insured Person** and the beneficiary, if applicable, have fully complied with all the terms and conditions of this policy.

BTA5168

Claim Notice

Written Claim Notice must be given to **Us** or any of **Our** brokers or appointed agents within twenty (20) days after the occurrence or commencement of any **Loss** covered by this policy or as soon as reasonably possible. Notice must include enough information to identify the **Insured Person** and **Policyholder**.

Failure to give Claim Notice within twenty (20) days will not invalidate or reduce any otherwise valid claim if notice is given as soon as reasonably possible.

BTA5170

Claim Forms

When **We** receive notice of a claim, **We** will send the **Insured Person** or the **Insured Person's** designee, within fifteen (15) days, forms for giving **Proof of Loss** to **Us**. If the **Insured Person** or the **Insured Person's** designee does not receive the forms, then the **Insured Person** or an **Insured Person's** designee should send **Us** a written description of the **Loss**. This written description should include information detailing the occurrence, type and extent of the **Loss** for which the claim is made.

BTA5172

Claim Proof of Loss

For claims involving disability, complete **Proof of Loss** must be given to **Us** within thirty (30) days after commencement of the period for which **We** are liable. Subsequent written proof of the continuance of such disability must be given to **Us** at such intervals as **We** may reasonably require.

Failure to give complete **Proof of Loss** within these time frames will not invalidate or reduce any otherwise valid claim if notice is given as soon as reasonably possible, and in no event later than one (1) year after the deadline to submit complete **Proof of Loss**, except in cases where the claimant lacks legal capacity.

For all claims except those involving disability, complete **Proof of Loss** must be given to **Us** within ninety (90) days after the date of **Loss**, or as soon as reasonably possible.

BTA5174

Claim Payment

For benefits payable involving disability, **We** will pay the **Insured Person** the applicable **Benefit Amount** no less frequently than monthly during the period for which **We** are liable. All payments by **Us** are subject to receipt of complete **Proof of Loss**.

For all benefits payable under this policy except those for disability, **We** will pay the **Insured Person** or beneficiary the applicable **Benefit Amount** within sixty (60) days after **We** receive complete **Proof of Loss** if the **Insured Person**, the **Policyholder** and beneficiary, where applicable, have complied with all the terms of this policy.

BTA5176

Claim and Suit Cooperation

In the event of a claim under this policy, the **Policyholder**, the **Insured Person** or the beneficiary, if applicable, must fully cooperate with **Us** in **Our** handling of the claim, including, but not limited to, the timely submission of all medical and other reports, and full cooperation with all physical examinations and autopsies that **We** may require. If **We** are sued in connection with a claim under this policy, then the **Policyholder**, the **Insured Person** or the beneficiary must fully cooperate with **Us** in the handling of such suit. The **Policyholder**, the **Insured Person** or the beneficiary must not, except at their own expense, voluntarily make any payment or assume any obligation in connection with any suit without **Our** prior written consent.

BTA5178

Entire Contract and Application

This policy, the **Policyholder's** application and the **Primary Insured Person's** application, if any, together with the endorsements attached to this policy, constitute the entire contract of insurance. If an application is completed by the **Policyholder** or **Primary Insured Person** in connection with this policy, then **We** will attach the application to the policy when the policy is issued.

BTA5182

Examination Under Oath

We have a right to examine under oath, as often as We may reasonably require, an **Insured Person**, the **Policyholder** or the beneficiary. We may also require the **Insured Person**, the **Policyholder** or the beneficiary to provide a signed description of the circumstances surrounding the **Loss** and their interest in the **Loss**. An **Insured Person**, the **Policyholder** and the beneficiary will also produce all records and documents requested by Us and will permit Us to make copies of such records or documents.

BTA5183

Governing Jurisdiction and Conformance With Statutes

This policy is governed by the laws of the jurisdiction in which it is delivered to the **Policyholder**. Any terms of this policy which are in conflict with the applicable statutes, laws or regulations of the jurisdiction in which this policy is delivered are amended to conform to such statutes, laws or regulations. Any terms of a certificate which are in conflict with the applicable statutes, laws or regulations of the jurisdiction in which the certificate is delivered are amended to conform to the statutes, laws or regulations of the jurisdiction. BTA5184 (Ed. 7/06)

Inadvertent Error

The insurance provided under this policy will not be prejudiced by the failure on the part of the **Policyholder** to transmit reports, collect and remit premium or comply with any of the terms and conditions of this policy when such failure is due to an inadvertent error or clerical mistake, provided that such inadvertent error or clerical mistake is corrected promptly upon discovery.

An inadvertent error or clerical mistake by Us or by the **Policyholder** may be corrected upon discovery with notice by the **Policyholder** to Us or by Us to the **Policyholder**.

BTA5186

Informational and Advertising Material

The **Policyholder** and its representatives must gain **Our** prior written approval of all material used for advertising and solicitation relating to this policy, regardless of the medium in which such material appears. We will not be responsible for any increase in payment or any changes in insurance resulting from such materials that have not been approved by Us.

BTA5188

Legal Action Against Us

No legal action may be brought to recover on this policy until sixty (60) days after We have been given complete **Proof of Loss**. No such action may be brought after three (3) years from the time complete **Proof of Loss** is required to be given. No such action may be brought unless there has been full compliance with all of the terms of this policy.

In no case will We be liable for benefits that are not payable under the terms of this policy or that exceed the applicable **Benefit Amounts** or limits of insurance of this policy.

BTA5190

Liberalization

If **We** adopt any changes:

- 1) within forty-five (45) days prior to the policy effective date shown in the Insuring Agreement; or
- 2) during the Policy Period,

which broaden this insurance without an additional premium charge, then the **Insured Person** will automatically receive the benefit of the broadened insurance.

BTA5192

Newly Acquired or Newly Formed Organizations

If the **Policyholder** acquires or forms another entity that becomes a **Subsidiary**, then at the **Policyholder's** request, **We** will enroll all eligible employees of such **Subsidiary** as soon as possible subject to the following requirements:

- 1) all eligible employees of such **Subsidiary** fit the **Class** Description shown in Section I of the Schedule of Benefits;
- 2) the **Subsidiary** is acquired or formed during the Policy Period;
- 3) the **Policyholder** reports the name of the **Subsidiary** within one hundred eighty (180) day(s) after its acquisition or formation together with such information that **We** at our sole discretion may require to determine the additional premium; and
- 4) the **Policyholder** pays the additional required premium.

Item three (3) above does not apply to a **Subsidiary** with less than 500 eligible employees unless the number of eligible employees for such **Subsidiary** exceeds ten percent (10%) of the insured group.

This insurance does not apply if the **Policyholder** advises **Us** in writing that it does not seek insurance under this policy for such newly acquired or formed **Subsidiary**.

BTA5194

Physical Examination and Autopsy

We have the right to have an **Insured Person** examined by a **Physician** approved by **Us**, as often as reasonably necessary while a claim is open. **We** may also have an autopsy done by a **Physician**, unless prohibited by law. Any examinations or autopsies that **We** require will be done at **Our** expense.

BTA5193

Premium Payment

The **Policyholder** will collect and remit to **Us** all premium due under this policy, subject to the grace period.

Premium is adjustable. The earned premium is calculated for each reporting period based on the applicable rates and exposures. The **Policyholder** must keep records of the information **We** need to calculate the premium and send **Us** copies of these records for each reporting period.

The earned premium will be computed on a pro-rata basis. Any unearned premium will be remitted to the **Policyholder** as soon as practicable.

BTA5196

Premium Provisions

The **Policyholder** will pay all required premium due under this policy, subject to the grace period. Annual Premiums and Deposit Premiums are due at the beginning of the Policy Period and each future Anniversary Date unless otherwise indicated on the Premium Summary.

If premiums are adjustable, then **We** will compute the earned premium for each audit reporting period based on the applicable rates and exposures. The **Policyholder** must keep records of the information **We** need to perform the adjustment and send **Us** copies at **Our** request.

If the policy is written subject to adjustment shown in the Premium Schedule, then the **Policyholder** must report to **Us** the complete information for the reporting period shown in the Premium Summary. The **Policyholder** must submit the reports within the specified number of days after the end of each Reporting Period.

At the earlier of the end of the Policy Period or the policy termination, earned premium will be determined based on the reported values or exposures. If the resulting earned premium is less than the Deposit Premium, if any, then **We** will return the excess to the **Policyholder**. If the resulting earned premium is greater than the Deposit Premium, if any, then **We** will bill the **Policyholder** for the additional premium. The **Policyholder** will pay **Us**, within thirty (30) days, any additional premium generated from the premium adjustment.
BTA5197

Premium Rate Change

We may change the premium rates for this policy on the Anniversary Date. **We** will give the **Policyholder** at least sixty (60) days prior written notice of such change.
BTA5198WI

Records and Audit

We may examine the **Policyholder's** books and records relating to this policy at any reasonable time during the policy term and up to three (3) years after expiration of this policy or until final adjustment and settlement of all claims under this policy, whichever is later.

The **Policyholder** must maintain information pertaining to **Insured Persons** including but not limited to each **Insured Person's Benefit Amount, Class, Salary**, enrollment form, if any, and beneficiary designations or assignments.
BTA5204

Statements by Policyholder or Insured Person and Incontestability

We will not use any statements, except fraudulent misstatements, made by the **Policyholder** or the **Insured Person** to void the insurance or reduce benefits payable under this policy, or to otherwise contest the validity of this policy, unless such statements are contained in a written document signed by the **Policyholder** or the **Insured Person**. If **We** rely on such statements for this purpose, then **We** will provide a copy of the written document to the **Policyholder**, the **Insured Person** or the **Insured Person's** designee or beneficiary, as appropriate.

We will consider all statements made by the **Policyholder** and the **Insured Person** to be representations and not warranties.

Except for nonpayment of premium, **We** will not use statements made by the **Policyholder** or the **Insured Person** regarding insurability to contest the validity of this policy when the statements are made more than two (2) years after this policy has been in force during the **Insured Person's** lifetime.

Nothing in this section will preclude **Us** from asserting at any time defenses based upon a claimant's ineligibility for insurance under this policy, or upon any other policy provision or condition.
BTA5206

Titles of Paragraphs

The titles of the various paragraphs of this policy and any endorsements attached to this policy are inserted solely for convenience of reference and do not limit or affect in any way the provisions to which they relate.
BTA5208

Notice of HIPAA Privacy Practices for Protected Health Information

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This notice is effective as of November 2, 2023.

The Chubb Group of Companies, as affiliated covered and hybrid entities, (the "Company") is required by law to take reasonable steps to ensure the privacy of your personally identifiable health information, and to inform you about:

- The Company's uses and disclosures of Protected Health Information ("PHI");
- Your privacy rights with respect to your PHI;
- The Company's duties with respect to your PHI;
- Your right to file a complaint with the Company and to the Secretary of the U.S. Department of Health and Human Services ("Secretary of Health and Human Services" or "HHS"); and
- The person or office to contact for further information regarding the Company's privacy practices.

PHI includes all individually identifiable health information transmitted or maintained by the Company, regardless of form (e.g., oral, written, electronic).

A federal law, the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), regulates PHI use and disclosure by the Company. You may find these rules at *45 Code of Federal Regulations* Parts 160 and 164. This notice attempts to summarize the regulations. The regulations will supersede any discrepancy between the information in this notice and the regulations.

I. Notice of PHI Uses and Disclosures

A. Required Uses and Disclosures

Upon your request, the Company is required to give you access to certain PHI in order to inspect and copy it.

Use and disclosure of your PHI may be required by the Secretary of Health and Human Services to investigate or determine the Company's compliance with the privacy regulations.

B. Uses and Disclosures to Carry Out Treatment, Payment, and Health Care Operations

The Company and its business associates will use PHI without your consent, authorization or opportunity to agree or object to carry out treatment, payment and health care operations. The Company may also disclose PHI to a plan sponsor for purposes related to treatment, payment and health care operations and as otherwise permitted under HIPAA to the extent the plan documents restrict the use and disclosure of PHI as required by HIPAA.

Treatment is the provision, coordination or management of health care and related services. It also includes, but is not limited to, consultations and referrals between one or more of your providers. For example, the Company may disclose to a treating orthodontist the name of your treating dentist so that the orthodontist may ask for your dental X-rays from the treating dentist.

Payment includes, but is not limited to, actions to make coverage determinations and payment (including establishing employee contributions, claims management, obtaining payment under a contract of reinsurance, utilization review and pre-authorizations). For example, the Company may tell a doctor whether you are eligible for coverage or what percentage of the bill will be paid by the Company.

Health care operations include, but are not limited to, underwriting, premium rating and other insurance activities relating to creating or reviewing insurance contracts. It also includes disease management, case management, conducting or arranging for medical review, legal services and auditing functions including fraud and abuse compliance programs, business planning and development, business management and general administrative activities. For example, the Company may use information about your claims to refer you to a disease management program, project future benefit costs or audit the accuracy of its claims processing functions. The Company will not use or disclose PHI that is genetic information for underwriting purposes.

The Company also may contact you to provide appointment reminders or information about treatment alternatives or health-related benefits and services that may be of interest to you.

C. Uses and Disclosures that Require Your Written Authorization

The Company will not use or disclose your PHI for the following purposes without your specific, written authorization:

- Use and disclosure of psychotherapy notes, except for your treatment, Company training programs, or to defend the Company against litigation filed by you.
- Use and disclosure for marketing purposes, except for face to face communications with you.
- Use and disclosure that constitute the sale of your PHI. The Company does not sell the PHI of its customers.

Except as otherwise indicated in this notice, uses and disclosures of PHI will be made only with your written authorization subject to your right to revoke such authorization. You may revoke an authorization by submitting a written revocation to the Company at any time. If you revoke your authorization, the Company will no longer use or disclose your PHI under the authorization. However, any use or disclosure made in reliance of your authorization before its revocation will not be affected.

D. Uses and Disclosures Requiring Authorizations or Opportunity to Agree or Disagree Prior to the Use or Release

If you authorize in writing the Company to use or disclose your own PHI, the Company may proceed with such use or disclosure without meeting any other requirements and the use or disclosure shall be consistent with the authorization.

Disclosure of your PHI to family members, other relatives or your close personal friends is allowed if:

- The information is directly relevant to the family or friend's involvement with your care or payment for that care; and
- You have either agreed to the disclosure or have been given an opportunity to object and have not objected.

E. Uses and Disclosures for which Consent, Authorization or Opportunity to Object is Not Required

Use and disclosure of your PHI is allowed without your authorization or request under the following circumstances:

- (1) When required by law.
- (2) When permitted for purposes of public health activities, including when necessary to report product defects, permit product recalls and conduct post-market surveillance. PHI may also be used or disclosed if you may have been exposed to a communicable disease or are at risk of contracting or spreading a disease or condition, if authorized by law.
- (3) When authorized by law to report information about abuse, neglect or domestic violence. In such case, the Company will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For the purpose of reporting child abuse or neglect, it is not necessary to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor's parents or other representatives although there may be circumstances under federal or state law where the parents or other representatives may not be given access to the minor's PHI.
- (4) The Company may disclose your PHI to a health oversight agency for oversight activities authorized by law. This includes uses or disclosures in civil, administrative or criminal investigations; inspections; licensure or disciplinary actions (for example, to investigate complaints against providers); and other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud).

(5) The Company may disclose your PHI when required for judicial or administrative proceedings. For example, your PHI may be disclosed in response to a subpoena or discovery request provided certain conditions are met. One of those conditions is that satisfactory assurances must be given to the Company that the requesting party has made a good faith attempt to provide written notice to you, and the notice provided sufficient information about the proceeding to permit you to raise an objection and no objections were raised or all objections were resolved in favor of disclosure by the court or tribunal.

(6) When required for law enforcement purposes (for example, to report certain types of wounds).

(7) For law enforcement purposes, including for the purpose of identifying or locating a suspect, fugitive, material witness or missing person. Also, when disclosing information about an individual who is or is suspected to be a victim of a crime but only if the individual agrees to the disclosure or the Company is unable to obtain the individual's agreement because of emergency circumstances. Furthermore, the law enforcement official must represent that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain the individual's agreement and disclosure is in the best interest of the individual as determined by the exercise of the Company's best judgment.

(8) When required to be given to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death or other duties as authorized by law. Disclosure is permitted to funeral directors, consistent with applicable law, as necessary to carry out their duties with respect to the decedent. The Company may also disclose your PHI to organ procurement organizations.

(9) The Company may use or disclose PHI for government-approved research, subject to conditions.

(10) When consistent with applicable law and standards of ethical conduct if the Company, in good faith, believes the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public and the disclosure is to a person reasonably able to prevent or lessen the threat, including the target of the threat.

(11) For certain government functions such as related to military service or national security.

(12) When authorized by and to the extent necessary to comply with workers' compensation or other similar programs established by law.

(13) That is "incident to" an otherwise permitted use or disclosure of PHI by the Company.

II. Rights of Individuals

A. Right to Request Restrictions on Use and Disclosure of PHI

You may request the Company to restrict its use and disclosure of your PHI to carry out treatment, payment or health care operations, or to restrict its use and disclosure to family members, relatives, friends or other persons identified by you who are involved in your care or payment for your care. However, the Company may not be required to agree to your request, unless you have paid out of pocket in full for services, depending on the specific facts.

The Company will accommodate reasonable requests to receive communications of PHI by alternative means or at alternative locations, such as a location other than your home. The Company will accommodate this request if you state in writing that you would be in danger from receiving communications through the normal means.

You or your personal representative will be required to complete a form to request restrictions on uses and disclosures of your PHI.

Such requests should be made to the Company by writing to North America Chief Privacy Officer, Chubb Group, 202 Hall's Mill Road, Whitehouse Station, NJ 08889, calling 1-833-324-9798, or emailing naprivacyoffice@chubb.com.

"Designated Record Set" includes the medical records and billing records about individuals maintained by or for a covered health care provider; enrollment, payment, billing, claims adjudication and case or medical management record systems maintained by or for a health plan; or other information used in whole or in part by or for the covered entity to make decisions about individuals. Information used for quality control or peer review analyses and not used to make decisions about individuals is not in the designated record set.

The requested information will be provided within 30 days if the information is maintained on site or within 60 days if the information is maintained offsite. A single 30-day extension is allowed if the Company is unable to comply with the deadline.

You or your personal representative will be required to complete a form to request access to the PHI in your designated record set. Requests for access to PHI should be made by writing to North America Chief Privacy Officer, Chubb Group, 202 Hall's Mill Road, Whitehouse Station, NJ 08889, calling 1-833-324-9798, or emailing naprivacyoffice@chubb.com.

If access is denied, you or your personal representative will be provided with a written denial setting forth the basis for the denial, a description of how you may exercise those review rights and a description of how you may complain to the Secretary of Health and Human Services.

C. Right to Amend PHI

You have the right to request the Company amend your PHI or a record about you in a designated record set for as long as the PHI is maintained in the designated record set.

The Company has 60 days after the request to act on the request. A single 30-day extension is allowed if the Company is unable to comply with the deadline. If the request is denied in whole or part, the Company must provide you with a written denial that explains the basis for the denial. You or your personal representative may then submit a written statement disagreeing with the denial and have that statement included with any future disclosures of your PHI.

Requests for amendment of PHI in a designated record set should be made by writing to North America Chief Privacy Officer, Chubb Group, 202 Hall's Mill Road, Whitehouse Station, NJ 08889, calling 1-833-324-9798, or emailing naprivacyoffice@chubb.com.

You or your personal representative(s) will be required to complete a form to request amendment of the PHI in your designated record set.

D. Right to Receive an Accounting of PHI Uses and Disclosures

Upon your request, the Company will provide you with an accounting of disclosures by the Company of your PHI during the six (6) years prior to the date of your request. However, such accounting need not include PHI disclosures made to carry out treatment, payment or health care operations, and certain other disclosures such as (1) to individuals about their own PHI; (2) prior to the compliance date; or (3) based upon your own written authorization.

If the accounting cannot be provided within 60 days, an additional 30 days is allowed if the individual is given a written statement of the reasons for the delay and the date by which the accounting will be provided.

If you request more than one accounting within a 12-month period, the Company will charge a reasonable, cost-based fee for each subsequent accounting.

E. Right to Obtain a Paper Copy of This Notice Upon Request (even if you have consented to receive this notice electronically)

To obtain a paper copy of this notice contact: North America Chief Privacy Officer, Chubb Group, 202 Hall's Mill Road, Whitehouse Station, NJ 08889, phone 1-833-324-9798, or email naprivacyoffice@chubb.com.

F. Note About Personal Representatives

You may exercise your rights through a personal representative. Your personal representative will be required to produce evidence of his/her authority to act on your behalf before that person will be given access to your PHI or allowed to take any action for you. Proof of such authority may take one of the following forms:

- A power of attorney for health care purposes, notarized by a notary public;
- A court order of appointment of the person as the conservator or guardian of the individual; or
- An individual who is the parent of a minor child.

The Company retains discretion to deny access to your PHI to a personal representative to provide protection to those vulnerable people who depend on others to exercise their rights under these rules and who may be subject to abuse or neglect. This also applies to personal representatives of minors.

III. The Company's Duties

The Company is required by law to maintain the privacy of PHI and to provide individuals (participants and beneficiaries) with notice of its legal duties and privacy practices and to notify affected individuals of a breach of unsecured PHI. The Company is required to abide by the terms of this notice.

The Company reserves the right to change its privacy practices and to apply the changes to any PHI received or maintained by the Company prior to that date.
